

JWOC GOALS 2017

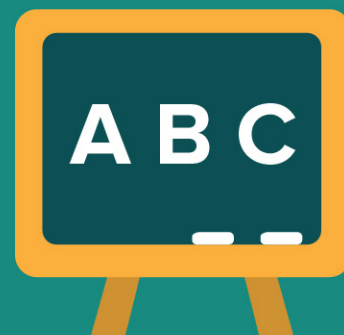

SCHOLARSHIP PROGRAM

- ▶ Create a community where all scholarship students are committed to the values of JWOC
- ▶ Support scholarship students to secure decent employment
- ▶ Ensure each student has the support needed to successfully complete their Scholarship

FREE CLASSES PROGRAM

- ▶ Ensure quality education across the Free Classes
- ▶ Increase access to STEAM and 21st Century skill opportunities
- ▶ All Free Classes activities are committed to the protection of children

COMMUNITY SUPPORT PROGRAM

- ▶ Deliver Positive Parenting awareness to 60 participants across 3 villages
- ▶ Deliver Financial Literacy training to 60 participants across 3 villages, with 80% of participants reporting better financial awareness after the training
- ▶ To access 144 people to education and employment information/opportunities in 2017

EDUCATION LOANS PROJECT

- ▶ Provide a source of financial support to 40 individuals from economically disadvantaged families to further their education or technical skills at a reasonable interest rate.

OPERATIONS

- ▶ Empower staff at all levels and foster a culture that embodies the values of JWOC
- ▶ Raise funds to cover expenses, maintaining a financial buffer for future years through transparent and accountable fundraising
